NEW  
COURSES

## EYFS Regulation and Relationships - PSED in practice

A workshop for Year R practitioners to explore ways in which they can support children's self-regulation skills, the importance of and how to form positive attachments and how to actively teach children ways to manage their emotions and develop a positive sense of self; all skills which are vital in children's emotional development, which may have been impacted by the pandemic.

(1/2 day)

## EYFS The Great Outdoors

This full day, interactive course will support EYFS teachers and leaders to understand the unique benefits of outdoor play. With a range of practical ideas to take away, teachers will explore realistic effective outdoor environments (no matter the size of space available) and how to promote a love of learning outdoors. We recommend that you pack your macs and wellies for this training, as there is no such thing as bad weather, only unsuitable clothing!

(all day)

## EYFS Moving on Up! Transition to Year One

Would you like to ensure an effective transition into Year 1 and deepen your professional knowledge of how to use continuous provision to uncover the Key Stage 1 curriculum? We will explore both the benefits of this approach as well as how to overcome some of the challenges this may present.

(all day)

## EYFS Mathsful Play

How to help children 'develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.' This course offers an exploration of high-quality provision and practice for Mathematical Development in Year R beyond that of any scheme being utilised.

(all day)

**NEW  
COURSES**

## **EYFS Diving Deeply into Literacy**

A holistic and engaging approach to teaching children to read and write in the EYFS and inspiring a lifelong love of literacy.

Learning to read and write can be a complex, challenging and sometimes baffling experience for young children. It is a holistic process, which draws from the whole Educational Programme, of which phonics is one element. This course will explore how each unique child develops the skills they need to read and write through highly engaging experiences which depend on the critical role of the adult, enabling environment and home partnerships.

**(all day)**

## **EYFS Thinking Creatively, Thinking Critically through Expressive Arts and Design**

Creativity and critical thinking are closely interconnected, encouraging the creative process, and thinking outside of the box to explore alternative ideas and solutions.

This practical full day course will look through the lens of the imaginative and critical thinking child to explore the open-ended opportunities that the effective enabling Expressive Arts and Design provision has to offer children to ignite their imagination and innovation.

**(all day)**

## **EYFS Curriculum in Action**

This training will support teachers to ensure that the intent of the EYFS curriculum is implemented accordingly considering the following: Curriculum in Action in the Enabling Environment, Curriculum in Action through the Role of the Adult, Curriculum in Action through appropriate experiences. The aim is to develop teacher confidence to implement the school bespoke EYFS curriculum across all aspects of EYFS pedagogy.

**(two half days 1-4pm)**

# Face-to-face training

6

## **EYFS for ECTs, and Teachers new to, or returning to, the EYFS**

An introductory course that looks at key aspects of the EYFS, with a particular focus on the role of the adult in children's learning, an enabling environment and meeting the needs of the unique child.  
(all day)

## **EYFS The Sky's the Limit! Challenge for all**

This course examines how the adult can facilitate challenge through effective interactions and a high-quality enabling environment. We consider the importance of high expectations for all children by exploring how every child can be sufficiently challenged through skilfully facilitated learning.  
(all day)

## **EYFS Let's Get Fit to Learn in Reception Physical Development**

This course explores the how movement can support children's physical development. Through training input and tasks, we will explore how physical play supports children on their journey to becoming confident learners. We will reflect on how provision and routines effectively advance the body and how to support children to become strong and dextrous.  
(all day)

## **EYFS Tinkering with woodwork**

Explore how developing woodwork in the EYFS supports and nurtures a young child's creativity and provides challenge. This course has a focus on the learning process, enabling children to develop strong Characteristics of Effective Teaching and Learning. Explore and use a range of tools. There will also be opportunities to discuss all practicalities of a safe delivery.  
(all day)

## **EYFS Mixed, Combined, United**

This course provides an opportunity to consider the benefits as well as any potential challenges of having EYFS and Key Stage One within one class. Focus will be given to using the principles of EYFS across the year groups. Discuss key aspects of practice including managing curriculums, providing continuous/enhanced provision for all year groups. (all day)

## **EYFS for LSAs - new or returning to the EYFS**

An introductory course that looks at key aspects of the EYFS, with a particular focus upon the role on the adult in children's learning, an enabling environment and meeting the needs of the unique child.  
(all day)
